

EAST JERSEY CHAPTER OF TROUT UNLIMITED

VOLUME 1

AUGUST 1971

ISSUE 6

Dear Member,

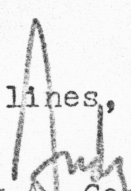

Well, the inevitable finally happened : My many, many pleas for articles have gone unheeded, and we don't have enough material to print RIFFLES this month.

Hopefully, you will come to the rescue with a short story about your favorite pattern or fishing place. If not, future issues of RIFFLES will be little more than meeting notices.

Please bring any material you care to submit to our next meeting. It will be held on August 12 at 7:45 PM. The place will be THE RUSTIC LODGE, Route 46, E. Paterson, New Jersey. We have Cortland Line Company's "Lure of Labrador" for viewing after the business meeting.

See you then, and don't forget an article for RIFFLES !

Tight lines,

Andrew A. Gennaro
